Billing for University Housing

• Residence Hall Contract Billing → Student Account
  • Academic year rate is split in half, charged at the start of each semester
  • Break housing is not typically included in the contract

• University Housing Apartment Billing → Student Account

• Student electronic bills will include tuition, fees, University Housing costs, etc. (Normally due within 30 days after billing)

• Private Certified Housing does NOT bill to the student account. Pay the facility directly (deadlines and billing cycles vary)
